Re: PSC Docket 17-0985 – Intervention

To the Parties:

In reference to my letter dated July 26, 2017, I requested counsel in the Docket to respond to Ms. Scott's Petition For Leave to Intervene by Robert Underwood by Friday, July 27, 2018. Ms. McDowell has just requested an extension for Staff's response until Tuesday, July 31, 2018.

Upon reviewing my letter, I realized that I had chosen the "wrong Friday" for the deadline for responses. It was not my intention to file a letter one day and seek responses the next. (semi-retirement, I have heard, can make people lose track of the days. Obviously even the weeks.)

Please accept my apologies for this error. I was and is my intention to make **the response date for the parties' to Ms. Scott's petition not later than Friday, August 3, 2018**

Very truly yours,

/s/ Glenn C. Kenton
